## We are Jumping Toward Success at CES!

### Grandparent's Day October 7<sup>th</sup>

#### CES loves their grandparents!!!

### From the Principal's Desk

Once again, I am very pleased with the start of the school year. The teachers and faculty have worked very hard to make sure that the year started smoothly. I would also like to thank the parents for your support of the school.

The Summer Reading Program was a success as well. The "Walking Book Report" costumes were wonderful. Each grade level winner won a \$25 gift card to Barnes & Noble. There were also awards for 2<sup>nd</sup> and 3<sup>rd</sup> place within each grade level.

As you have all noticed, we have started some new initiatives this year with the CES Essentials and the Trojan House System. Each of these new enterprises are centered on positive reinforcement for good behavior, good grades, and participation in extracurricular activities. If you would like more information about the CES Essentials and the Trojan House System, please visit our website. The school system website is [www.chickamaugacityschools.org](http://www.chickamaugacityschools.org)

Sincerely,

Jeff Sikes  
Principal  
Chickamauga Elementary School

In order to better serve our visitors on Grandparent's Day, we will be providing two buses to shuttle grandparents back and forth Friday morning. Since we have limited parking available on our campus, we are asking that you either park only in a true parking space or park at the recreational fields and ride the shuttle. The recreational field parking lot can only be accessed by using the lower gate located on 14<sup>th</sup> Street, near the American Legion Building. However, please do not park in the parking spaces that belong to the American Legion because they need those spaces for their events that day.

In order to provide this service, we must keep both lanes of the horseshoe open so that we can accommodate the buses coming in and out of the parking lot. Feel free to drop off any guests at the front door and park somewhere else, but please do not leave your car parked in the horseshoe area unless you are in a designated parking area.
