We are Jumping Toward Success at CES!

From the Principal's Desk

Butter Braid Fundraiser Incentives:

It's hard to believe we are just weeks away from the holidays! That can only mean we are weeks away from ending our first semester of school. It seems like only yesterday we were starting the 2016-17 year. I guess it is true what they say, "Time flies when you are having fun!" The

students have been working hard, and I couldn't be happier with their progress. Over the next few weeks, there will be opportunities to help needy families, participate in holiday projects, and times to celebrate. I hope you will take every opportunity to join us here at school and share in all the wonderful times that make C.E.S. special!

Sincerely,

Jeff Sikes
Principal
Chickamauga Elementary School

Fall Festival

Great Success!

The turnout for the Fall Festival was awesome! We were very fortunate to have great weather. The students and their parents seemed to have a wonderful time. I appreciate all the volunteers and PTO officers who made the festival a success. I would like to continue to hold the festival outside each year. Having the festival outdoors allows for the booths to be bigger and more creative. This equals more student fun.

Cell Phones

I need your help! You may have noticed the no cell phone signs posted in the horseshoe. All drivers need to stay off their cell phones once the car enters the horseshoe. This includes text messaging, reading email, phone conversations, video games, etc. This precaution is for the safety of the students, faculty, and parents during arrival and dismissal.

Reminders to Parents

1. As the weather begins to turn cool, please make sure that your child has a jacket or hoodie for outdoors. While our building does stay warm during the winter, recess can become very chilly without some type of jacket.
2. Please place your child's name somewhere inside their jackets. If lost, we can more easily locate the jacket if the child's name is inside.
3. Please help us with the student absences and tardies. Regular and timely attendance is critical for optimal school success. A Dr's note or parent note must be sent each time your child is absent. Students are encouraged to keep absences 5 or less for the entire year.
4. If you have not already, please join the PTO. Our school heavily relies on the efforts of the PTO officers and volunteers. Please call Brittany Crisp at 706-382-3100 ext. 1054 for information regarding PTO signup.
