<hr/> <p style="text-align: center;"><u>Social Studies</u> <u>Mr. McDaniel</u></p> <p>We are studying World War II (1940s) The assignments are online USA test prep (we are working on them in class but if they get behind can work on at home). Students will read a book (history content) per 9 weeks. This 9 weeks ends March 15th. This will equal 4 books for the year. When book is completed they should get one of my book summary sheets to fill out and turn in. Students have been aware of this since beginning of school. Students may also use the books for their ELA book log.</p> <p style="text-align: center;"><u>derek.mcdaniel@qlschools.org</u></p>	<p style="text-align: center;"><u>Math</u> Coach Dunfee</p> <p>Fractions: Review/Preview Equivalent/Simplifying Converting</p> <p>Coach Digital Study island - <u>Mike.dunfee@qlschools.org</u></p>
