Happy New Year and Welcome Back !

Welcome back! I hope you had a wonderful break with loved ones and the rain! We are starting our third book for 1st grade. We will have the usuals: spelling words, fluency, homework, and tests on FRIDAY. We are still working on Monster Words ALTHOUGH I have many who have completed the race! **As your child learns a list, they should let me know and we will get them checked and moved to a new list.** Thanks for studying with them. **I will soon send something more for our race winners as well!**

- Please check agendas nightly and sign or initial them. It needs to be returned to school every morning.
- Please remember to send in notes when your child has been absent.

Student of the Week:
