Mon- Music., Tues- P.E.,
Wed-Library, Thurs-Music,
Fri-P.E.

**September Character Trait
Friendship**

Notes from the Teacher September 21-25, 2020

We will not have school this Friday, the 25th due to deep cleaning and sanitation required.

The kindergarten students will need to complete the worksheet that will be put in their agenda pocket on Thursday, as well as log in and work in Reading Eggs and MathSeeds.

Parents, our book fair is about to begin!!!! We will officially start the fair on Tuesday Sept. 15th and this will go thru Thursday Sept. 24th. Your child will come during their library time and every student will have 2 opportunities to visit the book fair. We originally thought that we would also be able to share the online fair with everyone but we have found out that it will only be for distance learners.

Please send all money in a marked envelope and put it in the agenda. My class will shop again on Wednesday. Thank you for your support!

Have a great week!
