Trojan Houses of Tradition, Valor, Pride & Perseverance!

From the Principal's Desk

As you all know, we have a Summer Reading Program that encourages students to read two books over the summer months. We have been implementing this program for eight years. The information about the CES Summer Reading Program has and will continue to be sent home via a flyer every Monday until school is out. In addition, the information about the CES program is listed on our school website.

Several books on the summer reading list are ebooks that can be found on our CES library website free of charge. This website can be found by first going to the www.chickamaugacityschools.org, click Chickamauga Elementary School, and Library/Media Center. There is a link for the ebooks site on the CES Library homepage called CES ebook site.

Please check out our school website, as updates are occurring weekly. Go to www.chickamaugacityschools.org and click on the elementary tab.

May 2020-2021 Reward Event

In the years past, there has been a big reward for the students for doing such an excellent job on the state test. The COVID restrictions for this year will not allow us to have a big reward event.

Instead, the students will earn a chance to win daily prizes for trying their best on the state test. Teachers will submit the names of the students who took their time and tried their best each day. Lower grades are a big part in the testing process and will be rewarded as well. Several names will be drawn each day to receive a prize.

Reminders to Parents

1. Please minimize cell phone usage and text messaging in the car line during dismissal to help speed up the process and reduce safety concerns.
2. Please place your child's name somewhere inside their jackets. If lost, we can more easily locate the owner of the jacket if the child's name is inside.
3. Please help us with the student absences and tardies. Regular and timely attendance is critical for optimal school success. A Dr's note or parent note must be sent each time your child is absent. Students are encouraged to keep absences 5 or less for the entire year.

Yearbook

- If you order now, you can reserve a 2020-2021 yearbook for \$35.
- We are now selling a paperback yearbook for just \$18.
- Please see Erin McLeod for all yearbook orders.
