Weekly Snacks

We have changed our daily snack time. However, each student still needs to bring their own snack and water each day. The students seem to be hungry in the afternoons because our lunch is at 10:40 so instead of a morning snack, we will have an afternoon snack around 1:00. Also, no items containing any kind of nut is allowed in the school due to many severe allergies. Thank you!

Notes from the Teacher

October 26-30, 2020

Please continue to support our school and sell Butter Braids. The sale will end next week. Students are encouraged to sell 10 or more and will be rewarded if they do with a concession stand bonanza!

Report cards came home last Friday. Please look over the information and return the top paper, along with the report card sleeve. You can keep the other papers for your records. Let me know if you have questions or concerns.

This Friday students can come to school in their Halloween costumes. They will be having a class party and participating in fun Halloween activities.

Don't forget that kindergarten students will be dismissed at 11:30. A special thank you to Macecia Samuelson for heading up the class party and getting all supplies needed. Each student should send in \$2.00 if they haven't already to help with the cost.

Also, thank you to Hudson's grandmother, Margie for purchasing pumpkins for each student. They will be painting these this week and bringing them home! I appreciate the generosity!
